ABC Announces Art Competition

The Auburn Beautification Commission unveils *Art Around Auburn*- a juried competition for outdoor art.

The Auburn Beautification Commission announces a new competition entitled *Art Around Auburn*.

Based upon the theme “Auburn, History's Hometown”, the Auburn Beautification Commission seeks an interpretive or abstract sculpture that is green (made from recycled materials or materials that can be recycled). Each artist will be evaluated on the adaptation, vision and design of the theme, and how the scale and size fits into the chosen location. The selected artist will have up to five months to complete the sculpture, which will be displayed in downtown Auburn for one year.

Requests For Proposals are available at www.beautifulauburn.org, as well as the Cayuga County Chamber of Commerce, Auburn City Hall, Nash’s Art Supply and Auburn Public Theater.

All entries must be received by February 17, 2010, and the winner will be announced on March 3, 2010.

To learn more about the art contest, contact Jessica Harkins at 315- 253-5311, x213, or Jim Kent at 315-255-2432.
